The Current & Future State of Hiring by Industry for Talent Acquisition Leaders

1. What is happening to the TA Strategies you were deploying? Are there any results worth sharing?
2. Which industries are hiring and which ones are on hold?
3. What challenges are you currently facing?
4. How are talent acquisition functions dealing with remote/virtual hiring?
5. What are the projections for hiring in the future?
6. How are you managing stress for yourself and your recruiting team?
7. Are you in transition, what are your prospects for landing your next gig?
8. What advice would you offer job seekers?
9. What are the key changes in hiring practices resulting from the pandemic?
